Case No. AD/MTR/006/2026

To

The Interested Parties,

Subject: **Notice regarding PUC/PCN methodology and extension of time for filing questionnaire responses in the MTR investigation concerning imports of Sodium Cyanide from China PR and the European Union**.

1. The Authority initiated the subject investigation on 30th September, 2026. The known interested parties were intimated on 08th October, 2026 to file questionnaire responses and comments, if any, on the PUC/PCN methodology.
2. No comments on the PUC/PCN methodology have been received. Accordingly, the Authority has decided to adopt the PUC/PCN methodology as notified in the initiation notification, without any change.
3. The existing deadline for filing questionnaire responses, including EQR, is 14th November, 2026. In view of the request received from interested parties, the Authority has decided to grant an extension of 15 days. The revised deadline shall therefore be **29th November, 2026**.
4. No further extension of time shall be granted, as trade remedial investigations are time-bound in nature.
5. This issues with the approval of the Designated Authority.
