Date:11th November, 2026

SETU Case ID – AD/OI/050/2026

To

The Interested Parties,

Subject: Notice regarding PUC/PCN methodology and extension of time for filing questionnaire responses in the anti-dumping investigation concerning imports of Persulphates from China PR.

1. The Authority initiated the subject investigation on 30th September, 2026. The known interested parties were intimated on 07th October, 2026 to file questionnaire responses and comments, if any, on the scope of the product under consideration (PUC) and proposed product control number (PCN) methodology.
2. No comments on the scope of the PUC/PCN methodology have been received from any interested party. Accordingly, the Authority has decided to adopt the PUC and PCN methodology as notified in the initiation notification, without any change. The PCNs shall be Ammonium Persulphate (APS), Potassium Persulphate (PPS) and Sodium Persulphate (SPS).
3. The existing deadline for filing questionnaire responses, including the Exporter Questionnaire Response (EQR), is 13th November, 2026. In view of the request received from interested parties seeking additional time for filing of questionnaire responses, the Authority has decided to grant an extension of 15 days. The revised deadline for filing questionnaire responses shall therefore be **28th November, 2026**.
4. No further extension of time shall be granted, as trade remedial investigations are time-bound in nature.
5. This issues with the approval of the Designated Authority.
