Case No. CVD (SSR) 001/2026

To,
The Known Producers/Exporters of the subject goods in subject countries

Subject: Sunset review investigation of anti-subsidy duties concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam - reg.

Sir/Madam,

1. I am directed by the Designated Authority, constituted under the Customs Tariff Act, 1975 to investigate the existence, degree and effect of the alleged subsidisation, to inform you that the Authority has initiated a sunset review investigation of anti-subsidy duties concerning imports of "Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam, vide Initiation Notification No. F. No. 7/27/2026-DGTR dated 28th September 2026 issued by the Authority, which is available on the website of DGTR at the link: <https://dgtr.gov.in/en/countervailing-duty-investigation/initiation-countervailing-duty-investigation-concerning-imports-0>

2. As per the records available with the Authority, you are a producer/exporter of the subject goods. You may, therefore, be interested in participating in the investigation. The Authority provides you an opportunity to defend your interests and to assist the Authority in arriving at a fair decision, and accordingly requests you to file your response to the Exporter's Questionnaire available at the link: <https://www.dgtr.gov.in/en/anti-dumping-guidelines/exporters-questionnaire-0>. You are also required to file a response to the Economic Interest Questionnaire, which is attached herewith.
3. The subsidy programmes alleged by the applicant, from which the producers and exporters of the subject goods in subject countries are stated to have benefitted, are listed in the Initiation Notification. You are requested to furnish complete information in respect of each of the said programmes, indicating whether you have applied for, availed of or benefitted from any such programme, along with the supporting applications, approvals, agreements and accounting records relating thereto.
4. The response must be in English. All supplementary information or other material provided with it must also be in English or accompanied by an English translation, and must be certified by the chief executive of your company as accurate, complete and presenting a true and fair view of the accounts and other data to the best of his knowledge and belief.
5. The purpose of the Questionnaire is to gather the information required for the completion of the investigation. It is important for your company to give the answers clearly and precisely and, wherever required, to attach supporting documents.
6. Although a Questionnaire is prescribed, the Authority reserves the right to call for any further information at any time during the course of the investigation. You may also submit any additional information relevant in this regard.
7. The period of investigation in the present investigation is 1st April 2025 to 31st March 2026. The injury investigation period covers the periods 1st April 2022 to 31st March 2023, 1st April 2023 to 31st March 2024, 1st April 2024 to 31st March 2025 and the period of investigation.
8. Where the exporter's transactions are involved, you must include information regarding its related corporate entities in India.
9. You are requested to give careful consideration to the Questionnaire, particularly to the questions concerning product characteristics. Specifically, the Authority needs to know the difference, if any, between the product sold in your home market and that sold to India.
10. All financial information is to be indicated in the local currency. The applicable conversion rate of the local currency to the US Dollar for the relevant period may also be mentioned in each statement.
11. If your business does not perform all of the following functions in relation to the subject goods, please provide the names and addresses of the companies which perform each of the following functions: (a) produces or manufactures the subject goods; (b) sells in the domestic market; (c) exports to India; and (d) exports to countries other than India. Simultaneously, the company concerned may be advised to furnish information to the extent relevant as per paragraph 3 of the introduction to the Questionnaire.
12. As the trade remedy investigations are being conducted through the SETU portal, the non-confidential version of the application filed by the applicant is

available thereon and may be accessed upon registration as an interested party under the above-mentioned SETU Case ID CVD/SSR/001/2026.

13. The information furnished is subject to verification. You are, therefore, requested to convey your willingness to offer yourself for verification by the Authority. You are also advised to preserve all the working papers for such verification.
14. The applicant has not proposed any PCN methodology. Comments or suggestions on the scope of the product under consideration and on the PCN methodology, if any, may be furnished within 15 days from the date of this email. This period of 15 days shall run concurrently with the period of thirty-seven days mentioned below.
15. All communications and submissions by the interested parties must be uploaded on the SETU portal (<https://setu.dgtr.gov.in>) under their registered name and corresponding Case ID CVD/SSR/001/2026 within thirty-seven (37) days from the date of this email. Both versions of each submission, the confidential version (CV) and the non-confidential version (NCV), must be uploaded in the respective designated columns. It should be ensured that the narrative part of the submission is in searchable PDF/MS-Word format and the data files are in MS-Excel format.
16. In case you wish to appoint a person/firm to represent your interests, you may please issue a proper authorisation in favour of such person/firm.
17. If no response is received within the time stipulated in this letter, it would be presumed that you have no comments to offer. Your attention is specifically drawn to the Anti-Subsidy Rules, which authorise the Authority to record its findings on the basis of the facts available to it in case of non-cooperation by the interested parties.
18. Confidential Information: The response to the Questionnaire must be submitted in two versions, one confidential version and one non-confidential version. The non-confidential version must include a non-confidential summary allowing a reasonable understanding of the information and/or supporting documents claimed as confidential. Where the submission of such a summary is not possible, the circumstances must be convincingly explained.
19. An interested party supplying information must ensure that all the information supplied is clearly marked either "confidential" or "non-confidential" at the top of each page. Information supplied without any such marking shall be treated as non-confidential and the Authority shall be at liberty to allow the other interested parties to inspect such information. Confidential information must be accompanied by a non-confidential summary or, if it is not susceptible to summarisation, a statement of the reasons why summarisation is not possible. If the Authority is satisfied that the request for confidentiality is not warranted, or the supplier of the information is either unwilling to make the information public or to authorise its disclosure in a generalised or summary form, the Authority may disregard such information.
20. As per Rule 7(6) of the Customs Tariff (Identification, Assessment and Collection of Countervailing Duty on Subsidized Articles and for Determination of Injury) Rules, 1995, the Designated Authority may allow an interested country or an interested party or its representative to present information relevant to the investigation orally also, but such oral information shall be taken into consideration only when it is subsequently reproduced in writing.
21. All your submissions, including the data and annexures to the Questionnaire response, should be in appropriate machine-readable formats. All write-ups and

explanations should be submitted in MS-Word format and all formats/appendices in MS-Excel format.

22. You may access the public file, including the non-confidential version of the application filed by the applicant, through your login on the SETU portal. You may contact this office in case of any difficulty or clarification required in furnishing the information in the matter.
23. We appreciate your cooperation in providing the requisite information within the stipulated time and in assisting the Authority in conducting the present investigation in a time-bound manner.
24. For relevant information and further updates on the subject investigation, please keep a watch on the website of DGTR (<https://www.dgtr.gov.in/en>) and the SETU portal (<https://setu.dgtr.gov.in>).

Subject: Sunset review investigation of anti-subsidy duties concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam - reg.

Excellency,

1. I am directed by the Designated Authority, constituted under the Customs Tariff Act, 1975 to investigate the existence, degree and effect of the alleged subsidisation, to inform you that the Authority has initiated a sunset review investigation of anti-subsidy duties concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam, vide Initiation Notification No. F. No. 7/27/2026-DGTR dated 28th September 2026 issued by the Authority, which is available on the website of DGTR at the link: <https://dgtr.gov.in/en/countervailing-duty-investigation/initiation-countervailing-duty-investigation-concerning-imports-0>

2. In terms of Article 13.1 of the Agreement on Subsidies and Countervailing Measures, pre-initiation consultations were held with the representatives of the Government of Socialist Republic of Vietnam on 7th September 2026. The Government of Socialist Republic of Vietnam also furnished its written

comments, which have been taken on record and considered by the Authority, and the same will be duly taken into consideration during the course of the investigation.

3. The Authority provides the Government of Socialist Republic of Vietnam an opportunity to defend its interests and to assist the Authority in arriving at a fair decision, and accordingly requests you to file a response to the "Questionnaire for Governments" available at the link: <https://www.dgtr.gov.in/en/anti-dumping-guidelines/government-questionnaire>. The Government of Socialist Republic of Vietnam is also required to file a response to the Economic Interest Questionnaire, which is attached herewith.

4. The subsidy programmes alleged by the applicant, from which the producers and exporters of the subject goods in Socialist Republic of Vietnam are stated to have benefitted, are listed in the Initiation Notification. The response may cover each of the programmes so listed, along with the relevant laws, rules, regulations, notifications and administrative instructions governing such programmes.

5. The purpose of the Questionnaire is to gather the information required for the completion of the investigation. It is important that the answers are given clearly and precisely, indicating the sources of information used and, wherever required, attaching supporting documents. Any worksheets or documents used to answer the Questionnaire which for any reason cannot be attached shall be preserved and made available for the purposes of further examination or verification.

6. All supplementary information or other material provided with the response must be certified by the concerned official as accurate, complete and presenting a true and fair view of the accounts and other data to the best of his knowledge and belief.

7. Although a Questionnaire is prescribed, the Authority reserves the right to call for any further information at any time during the course of the investigation. You may also submit any additional information relevant in this regard.

8. The period of investigation in the present investigation is 1st April 2025 to 31st March 2026. The injury investigation period covers the periods 1st April 2022 to 31st March 2023, 1st April 2023 to 31st March 2024, 1st April 2024 to 31st March 2025 and the period of investigation.

9. The response must be in English. All supplementary information or other material provided with it must also be in English or accompanied by an English translation.

10. The producers and exporters of the subject goods in Socialist Republic of Vietnam known to the Authority are being informed separately. It is, however, possible that the addresses or e-mail addresses available with the Authority are not complete, or that all the producers and exporters of the subject goods have not been intimated directly. It is, therefore, requested that the initiation of this investigation may be brought to the notice of all concerned.

11. As the trade remedy investigations are being conducted through the SETU portal, the non-confidential version of the application filed by the applicant is available thereon and may be accessed upon registration as an interested party under the above-mentioned SETU Case ID CVD/SSR/001/2026.

12. The applicant has not proposed any PCN methodology. Comments or suggestions on the scope of the product under consideration and on the PCN methodology, if any, may be furnished within 15 days from the date of this email. This period of 15 days shall run concurrently with the period of thirty-seven days mentioned below.

13. The information furnished is subject to verification. You are, therefore, requested to convey your willingness to offer yourself for verification by the Authority. You are also advised to preserve all the working papers for such verification.

14. All communications and submissions by the interested parties must be uploaded on the SETU portal (<https://setu.dgtr.gov.in>) under their registered name and corresponding Case ID CVD/SSR/001/2026 within thirty-seven (37) days from the date of this email. Subject: Sunset review investigation of anti-subsidy duties concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam - reg.

Excellency,

1. I am directed by the Designated Authority, constituted under the Customs Tariff Act, 1975 to investigate the existence, degree and effect of the alleged subsidisation, to inform you that the Authority has initiated a sunset review investigation of anti-subsidy duties concerning imports of "Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam, vide Initiation Notification No. F. No. 7/27/2026-DGTR dated 28th September 2026 issued by the Authority, which is available on the website of DGTR at the link: <https://dgtr.gov.in/en/countervailing-duty-investigation/initiation-countervailing-duty-investigation-concerning-imports-0>

2. In terms of Article 13.1 of the Agreement on Subsidies and Countervailing Measures, a request to hold a pre-initiation consultation with the representatives of the Government of Malaysia was made on 20th August, 2026. However, no responses were received.

3. The Authority provides the Government of Malaysia an opportunity to defend its interests and to assist the Authority in arriving at a fair decision, and accordingly requests you to file a response to the "Questionnaire for Governments" available at the link: <https://www.dgtr.gov.in/en/anti-dumping-guidelines/government-questionnaire>. The Government of Malaysia is also required to file a response to the Economic Interest Questionnaire, which is attached herewith.

4. The subsidy programmes alleged by the applicant, from which the producers and exporters of the subject goods in Kingdom of Thailand are stated to have benefitted, are listed in the Initiation Notification. The response may cover each of the programmes so listed, along with the relevant laws, rules, regulations, notifications and administrative instructions governing such programmes.

5. The purpose of the Questionnaire is to gather the information required for the completion of the investigation. It is important that the answers are given clearly and precisely, indicating the sources of information used and, wherever required, attaching supporting documents. Any worksheets or documents used to answer the Questionnaire which for any reason cannot be attached shall be preserved and made available for the purposes of further examination or verification.

6. All supplementary information or other material provided with the response must be certified by the concerned official as accurate, complete and presenting a true and fair view of the accounts and other data to the best of his knowledge and belief.

7. Although a Questionnaire is prescribed, the Authority reserves the right to call for any further information at any time during the course of the investigation. You may also submit any additional information relevant in this regard.

8. The period of investigation in the present investigation is 1st April 2025 to 31st March 2026. The injury investigation period covers the periods 1st April 2022 to 31st March 2023, 1st April 2023 to 31st March 2024, 1st April 2024 to 31st March 2025 and the period of investigation.

9. The response must be in English. All supplementary information or other material provided with it must also be in English or accompanied by an English translation.

10. The producers and exporters of the subject goods in Malaysia known to the Authority are being informed separately. It is, however, possible that the addresses or e-mail addresses available with the Authority are not complete, or that all the producers and exporters of the subject goods have not been intimated directly. It is, therefore, requested that the initiation of this investigation may be brought to the notice of all concerned.

11. As the trade remedy investigations are being conducted through the SETU portal, the non-confidential version of the application filed by the applicant is available thereon and may be accessed upon registration as an interested party under the above-mentioned SETU Case ID CVD/SSR/001/2026.

12. The applicant has not proposed any PCN methodology. Comments or suggestions on the scope of the product under consideration and on the PCN methodology, if any, may be furnished within 15 days from the date of this email. This period of 15 days shall run concurrently with the period of thirty-seven days mentioned below.

13. The information furnished is subject to verification. You are, therefore, requested to convey your willingness to offer yourself for verification by the Authority. You are also advised to preserve all the working papers for such verification.
14. All communications and submissions by the interested parties must be uploaded on the SETU portal (<https://setu.dgtr.gov.in>) under their registered name and corresponding Case ID CVD/SSR/001/2026 within thirty-seven (37) days from the date of this email. Both versions of each submission, the confidential version (CV) and the non-confidential version (NCV), must be uploaded in the respective designated columns. It should be ensured that the narrative part of the submission is in searchable PDF/MS-Word format and the data files are in MS-Excel format.
15. In case you wish to appoint a person/firm to represent your interests, you may please issue a proper authorisation in favour of such person/firm.
16. If no response is received within the time stipulated in this letter, it would be presumed that you have no comments to offer. Your attention is specifically drawn to the Anti-Subsidy Rules, which authorise the Authority to record its findings on the basis of the facts available to it in case of non-cooperation by the interested parties.
17. Confidential Information: The response to the Questionnaire must be submitted in two versions, one confidential version and one non-confidential version. The non-confidential version must include a non-confidential summary allowing a reasonable understanding of the information and/or supporting documents claimed as confidential. Where the submission of such a summary is not possible, the circumstances must be convincingly explained.
18. An interested party supplying information must ensure that all the information supplied is clearly marked either "confidential" or "non-confidential" at the top of each page. Information supplied without any such marking shall be treated as non-confidential and the Authority shall be at liberty to allow the other interested parties to inspect such information. Confidential information must be accompanied by a non-confidential summary or, if it is not susceptible to summarisation, a statement of the reasons why summarisation is not possible. If the Authority is satisfied that the request for confidentiality is not warranted, or the supplier of the information is either unwilling to make the information public or to authorise its disclosure in a generalised or summary form, the Authority may disregard such information.
19. As per Rule 7(6) of the Customs Tariff (Identification, Assessment and Collection of Countervailing Duty on Subsidized Articles and for Determination of Injury) Rules, 1995, the Designated Authority may allow an interested country or an interested party or its representative to present information relevant to the investigation orally also, but such oral information shall be taken into consideration only when it is subsequently reproduced in writing.
20. All your submissions, including the data and annexures to the Questionnaire response, should be in appropriate machine-readable formats. All write-ups and explanations should be submitted in MS-Word format and all formats/appendices in MS-Excel format.
21. You may access the public file, including the non-confidential version of the application filed by the applicant, through your login on the SETU portal. You may contact this office in case of any difficulty or clarification required in furnishing the information in the matter.

22. We appreciate your cooperation in providing the requisite information within the stipulated time and in assisting the Authority in conducting the present investigation in a time-bound manner.

23. For relevant information and further updates in the subject investigation, please keep a watch on the website of DGTR (<https://www.dgtr.gov.in/en>) and the SETU portal (<https://setu.dgtr.gov.in>).

Thanking you.

The Known Importers/Users of the subject goods

Subject: Sunset review investigation of anti-subsidy duties concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam - reg.

Sir/Madam,

1. I am directed by the Designated Authority, constituted under the Customs Tariff Act, 1975 to investigate the existence, degree and effect of the alleged subsidisation, to inform you that the Authority has initiated an anti-subsidy sunset review investigation concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam, vide Initiation Notification F. No. 7/27/2026-DGTR dated 28th September 2026 issued by the Authority, which is available on the website of DGTR at the link:

<https://dgtr.gov.in/en/countervailing-duty-investigation/initiation-countervailing-duty-investigation-concerning-imports-0>

2. As per the records available with the Authority, you are an importer/user of the subject goods. You may, therefore, be interested in participating in the investigation. The Authority provides you an opportunity to defend your interests and to assist the Authority in arriving at a fair decision, and accordingly requests you to file your response to the Importer's Questionnaire available at the link: <https://www.dgtr.gov.in/en/anti-dumping-guidelines/importer-questionnaire-0> and/or the User Industry Questionnaire available at the link: <https://www.dgtr.gov.in/en/anti-dumping-guidelines/user-industry-questionnaire>. You are also required to file a response to the Economic Interest Questionnaire, available at https://dgtr.gov.in/sites/default/files/2024-08/Economic%20Interest%20Questionnaire_1.pdf
3. The response must be in English. All supplementary information or other material provided with it must also be in English or accompanied by an English translation, and must be certified by the chief executive of your company as accurate, complete and presenting a true and fair view of the accounts and other data to the best of his knowledge and belief.
4. The purpose of the Questionnaire is to gather the information required for the completion of the investigation. It is important for your company to give the answers clearly and precisely, indicating the sources of information used and, wherever required, attaching supporting documents. Any worksheets or documents used to answer the Questionnaire which for any reason cannot be attached shall be preserved by the company and made available for the purposes of further examination or verification.
5. Although a Questionnaire is prescribed, the Authority reserves the right to call for any further information at any time during the course of the investigation. You may also submit any additional information relevant in this regard.
6. The period of investigation in the present investigation is 1st April 2025 to 31st March 2026. The injury investigation period covers the periods 1st April 2022 to 31st March 2023, 1st April 2023 to 31st March 2024, 1st April 2024 to 31st March 2025 and the period of investigation.
7. All volume related information should be indicated in a uniform unit of weight, i.e. Metric Ton (MT), and all price related information should be indicated in a uniform unit, i.e. INR per Metric Ton (INR/MT).
8. As the trade remedy investigations are being conducted through the SETU portal, the non-confidential version of the application filed by the applicant is available thereon and may be accessed upon registration as an interested party under the above-mentioned SETU Case ID CVD/SSR/001/2026.
9. The information furnished is subject to verification. You are, therefore, requested to convey your willingness to offer yourself for verification by the Authority. You are also advised to preserve all the working papers for such verification.
10. The applicant has not proposed any PCN methodology. Comments or suggestions on the scope of the product under consideration and on the PCN methodology, if any, may be furnished within 15 days from the date of this email. This period of 15 days shall run concurrently with the period of thirty-seven days mentioned below.
11. All communications and submissions by the interested parties must be uploaded on the SETU portal (<https://setu.dgtr.gov.in>) under their registered name and

corresponding Case ID CVD/SSR/001/2026 within thirty-seven (37) days from the date of this email. Both versions of each submission, the confidential version (CV) and the non-confidential version (NCV), must be uploaded in the respective designated columns. It should be ensured that the narrative part of the submission is in searchable PDF/MS-Word format and the data files are in MS-Excel format.

12. In case you wish to appoint a person/firm to represent your interests, you may please issue a proper authorisation in favour of such person/firm.
13. If no response is received within the time stipulated in this letter, it would be presumed that you have no comments to offer. Your attention is specifically drawn to the Anti-Subsidy Rules, which authorise the Authority to record its findings on the basis of the facts available to it in case of non-cooperation by the interested parties.
14. **Confidential Information:** The response to the Questionnaire must be submitted in two versions, one confidential version and one non-confidential version. The non-confidential version must include a non-confidential summary allowing a reasonable understanding of the information and/or supporting documents claimed as confidential. Where the submission of such a summary is not possible, the circumstances must be convincingly explained.
15. An interested party supplying information must ensure that all the information supplied is clearly marked either "confidential" or "non-confidential" at the top of each page. Information supplied without any such marking shall be treated as non-confidential and the Authority shall be at liberty to allow the other interested parties to inspect such information. Confidential information must be accompanied by a non-confidential summary or, if it is not susceptible to summarisation, a statement of the reasons why summarisation is not possible. If the Authority is satisfied that the request for confidentiality is not warranted, or the supplier of the information is either unwilling to make the information public or to authorise its disclosure in a generalised or summary form, the Authority may disregard such information.
16. As per Rule 7(6) of the Customs Tariff (Identification, Assessment and Collection of Countervailing Duty on Subsidized Articles and for Determination of Injury) Rules, 1995, the Designated Authority may allow an interested country or an interested party or its representative to present information relevant to the investigation orally also, but such oral information shall be taken into consideration only when it is subsequently reproduced in writing.
17. All your submissions, including the data and annexures to the Questionnaire response, should be in appropriate machine-readable formats. All write-ups and explanations should be submitted in MS-Word format and all formats/appendices in MS-Excel format.
18. You may access the public file, including the non-confidential version of the application filed by the applicant, through your login on the SETU portal. You may contact this office in case of any difficulty or clarification required in furnishing the information in the matter.
19. We appreciate your cooperation in providing the requisite information within the stipulated time and in assisting the Authority in conducting the present investigation in a time-bound manner.

Subject: Sunset review investigation of anti-subsidy duties concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam - reg.

Sir/Madam,

1. I am directed by the Designated Authority, constituted under the Customs Tariff Act, 1975 to investigate the existence, degree and effect of the alleged subsidisation, to inform you that the Authority has initiated a sunset review investigation of anti-subsidy duties concerning imports of "Plain Copper Tubes and Pipes" originating in or exported from Malaysia, Thailand and Vietnam, vide Initiation Notification No. F. No. 7/27/2026-DGTR dated 28th September, 2026 issued by the Authority, which is available on the website of DGTR at the link: <https://dgtr.gov.in/en/countervailing-duty-investigation/initiation-countervailing-duty-investigation-concerning-imports-0>
2. The period of investigation in the present investigation is 1st April 2025 to 31st March 2026. The injury investigation period covers the periods 1st April 2022 to

31st March 2023, 1st April 2023 to 31st March 2024, 1st April 2024 to 31st March 2025 and the period of investigation.

3. You are advised to follow the instructions given in the initiation notification for participation in the subject investigation.
4. All volume related information relating to imports and economic performance such as production, capacity and sales should be indicated in a uniform unit of weight, i.e. Metric Ton (MT), and all price related information on import price, cost, selling price etc. should be indicated in a uniform unit, i.e. INR per Metric Ton (INR/MT).
5. The domestic industry is also required to file a response to the Economic Interest Questionnaire, which is attached herewith, within the time limit stipulated in the initiation notification.
6. The domestic industry may offer its comments on the claims of confidentiality made by the other interested parties within 7 days from the date of circulation of the non-confidential version of their submissions on the SETU portal (<https://setu.dgtr.gov.in>).
7. The applicant has not proposed any PCN methodology. Comments or suggestions on the scope of the product under consideration and on the PCN methodology, if any, may be furnished within 15 days from the date of this email. This period of 15 days shall run concurrently with the period of thirty-seven days mentioned below.
8. The information furnished by you is subject to verification. You are, therefore, requested to retain all information and working sheets for verification as and when required by the Authority.
9. Copies of all non-confidential submissions made by an interested party are required to be made available to all other interested parties participating in the investigation through the SETU portal.
10. Interested parties providing information are required to register themselves on the SETU portal (<https://setu.dgtr.gov.in>). All communications and submissions must be uploaded on the SETU portal (<https://setu.dgtr.gov.in>) under their registered name and corresponding Case ID CVD/SSR/001/2026 within thirty-seven (37) days from the date of this email. Both versions of each submission, the confidential version (CV) and the non-confidential version (NCV), must be uploaded in the respective designated columns. It should be ensured that the narrative part of the submission is in searchable PDF/MS-Word format and the data files are in MS-Excel format.
11. For relevant information and further updates on the subject investigation, please keep a watch on the website of DGTR (<https://www.dgtr.gov.in/en>) and the SETU portal (<https://setu.dgtr.gov.in>).
