Date:11th November, 2026

SETU Case ID – AD/SSR/013/2026

To

The Interested Parties,

Subject: Notice regarding the scope of PUC/PCN and extension of time for filing questionnaire responses in the sunset review investigation concerning imports of N, N′-Dicyclohexyl Carbodiimide (DCC) from China PR.

1. The Authority initiated the subject sunset review investigation on 30th September, 2026. The known interested parties were intimated on 08th October, 2026 to file questionnaire responses and comments, if any, on the scope of the product under consideration (PUC) and proposed PCNs.
2. No comments on the scope of the PUC/PCN have been received from any interested party. Further, the domestic industry has not proposed any PCN methodology. Accordingly, the Authority has decided to retain the PUC as defined in the original investigation, without any change.
3. The existing deadline for filing questionnaire responses, including the Exporter Questionnaire Response (EQR), is 14th November, 2026. In view of the request received from interested parties, the Authority has decided to grant an extension of 15 days. The revised deadline for filing questionnaire responses shall therefore be **29th November, 2026**.
4. No further extension of time shall be granted, as trade remedial investigations are time-bound in nature.
5. This issues with the approval of the Designated Authority.
